

2010 Valdez Quilt Festival Teacher

Lisa Moore

Is a retired electrical engineer living on beautiful Silver Bay in Sitka, Alaska. The above photo is the view from Lisa's sewing studio, a constant source of inspiration. She is a member of Ocean Wave Quilt Guild, New Archangel Dancers (a Russian Folk Dance group), Sitka Tree and Landscape Committee, and Alaska Community Forest Council. When not quilting, she loves to go fishing, shrimping, and crabbing with her husband, Dave, and their yellow labs, Copper and Mig.

Flippy Curves

Creative Curves

The creative curves class features several techniques of easy pieced curves. Students can choose from four projects: Bella Luna (aka Moon over Glacier Bay), The Glaciers, Alaska Toss or Flippy Curves. There is also a Christmas project I have based on the Glacier pattern called Santa's Magic Mountain that you can choose. This class is appropriate for intermediate quilters. Kits for most of these projects are available at various Alaska Quilt Shops. If you want a kit and cannot find it, please let me know and I will try to help locate the kit.

Snow Chateau (Scenic View)

Wolf Song

Scene in Alaska -The Coast
Also available -The Interior

Interesting Angles

The interesting angles class features Lisa's engineered techniques of cutting and piecing angles for quilts that appear three dimensional. Students can choose from four projects: Wolf Song, Snow Chateau (AKA Scenic View), Bay Window, or Scene in Alaska. This class is appropriate for intermediate quilters. Kits for most of these projects are available at various Alaska Quilt Shops. If you want a kit and cannot find it, please let me know and I will try to help locate the kit. I also have kits for these projects and will have them available as pre-cut kits for an additional fee, in case you want to spoil yourself!

Triple T - Tips, Tricks and Techniques

The Triple T class is a full day of Lisa's tips, tricks, and techniques. There will be lots of demonstration, then hand's on lessons. You can choose your project from any of Lisa's placemats or table runners. If there is any technique you want to be certain to learn, please let me know and I will be certain to include it. I've shown a few of the potential projects above. This class is appropriate for all quilters. I have some of the fabrics shown, and may know where others are available, so let me know if you need help with fabric.

Super Easy Giant Rick Rack and Prairie Points

The Super Easy Giant Rick Rack is super fun! Join Lisa for a day of growing Rick Rack and Prairie Points. This class is appropriate for all quilters. This is a new design from Lisa Moore, and the projects pictured are with fabric not yet available, drawn in Electric Quilt. The fabric in the Ric Rac Rolliday quilt is Robert Kaufman's Sparkle Christmas and the fabrics in Ric Rac Rim are also by Robert Kaufman, On a Whim.
